meet Dr Zina

Having been inspired by her dentist father since she was a child, Dr Zina Mahdi has had many years practicing dentistry overseas. In 2009, she took the Australian Dental Council Examination in and began practicing dentistry in Australia. Dr Zina is experienced in placing dental implants and completed her Clinical Diploma in Implantology with the Brenner Implant Institute in Sydney and the MIS Implant course in Columbia in 2013. She is currently studying orthodontics to further help her patients. Dr Zina loves giving patients the confidence to smile again and being able to make a difference to their lives. She is able to treat all ages, but is particularly experienced in working with and caring for children with special needs.
